

COMING SUMMER 2022

# 900 Series

The best of both worlds! The new 900 Series curling shoes have the combined benefits of the Balance*Plus* Delux and 700 Series curling shoes in an all-new lightweight, flexible and durable design. The 900 Series provides an ultra-comfortable leather design while incorporating many of the features that make Balance*Plus* footwear the favourite in curling. The phylon outsole makes the shoe lightweight and flexible, while both the Balance*Plus* Slider and full grain leather upper with leather inside lining provides the optimal stability and durability. Includes lace covers and two-sets of insoles/footbeds which allow you to customize the fit of each shoe.
